

# It's Time For Everyone To Prepare For The Flu Season

*Bring Your Family to the  
Northvale Flu Program*

Date: Saturday, October 8th, 2016

Time: 10 — 11:30 am

Location: Senior Center at Borough Hall  
116 Paris Avenue, Northvale, NJ 07647

### What You Need To Know:

- ◆ This year, we will be offering a Trivalent vaccine which protects against three different flu virus strains as well as a High Dose vaccine for those 65 years of age or older—the higher dose allows for older individuals to develop a better immune response to the flu virus.
- ◆ The cost is \$25 for those not covered by Medicare.
- ◆ Regular Medicare participants must bring their Medicare Part B card for us to bill Medicare.
- ◆ Children between the ages of 7 & 17 can be vaccinated at the flu program while a parent or guardian is present. Children between the ages of 7 & 12 will require a prescription from their doctor.
- ◆ The vaccine for children is Preservative Free.
