

NORTHVALE CENTENNIAL

Baseball Night with the Rockland Boulders

Dear Northvale Resident:

To celebrate Northvale's Centennial, all residents are invited to enjoy a Rockland Boulders vs. Quebec Capitales game at a discounted rate. The Boulders are the reigning Champions of the CANAM League.

Our Northvale baseball/softball players will participate in a pregame parade on the field – come cheer them on. A "Northvale Centennial" sign will light up the Jumbo-Tron and possibly some fan photos too!

The stadium is family friendly with modestly priced concessions. It is exceptionally clean and has a beautiful playground area inside the stadium. There will be a fireworks extravaganza that evening following the game.
