WHEREAS, on August 31, 1976, Kim Montelaro, a resident of New Milford, Bergen County, then 20 years old, was forcibly abducted, brutally assaulted and murdered by repeat offender, Christopher Righetti; and

WHEREAS, Christopher Righetti, Prisoner # 59431, is currently incarcerated for the killing of Kim Montelaro; and

WHEREAS, Christopher Righetti has gone many times before the Parole Board of Northern State Prison. His release was denied each time, as the parole board found that Christopher Righetti was unwilling to take responsibility for abducting, assaulting and murdering Kim Montelaro; and

WHEREAS, Christopher Righetti has never shown any remorse for his crime and has made no substantial progress in addressing the issues that led him to murder Kim Montelaro and has demonstrated a substantial risk for recidivism; and

WHEREAS, Kim’s family should not be made to relive this horrible crime every few years when there is a parole hearing. They are forced to travel long distances from their current residence in Florida each time there is a parole hearing for their daughter’s killer. They continue to suffer unnecessarily on Christopher Righetti’s account; and

WHEREAS, in addition to the efforts of the Montelaro Family, the Borough of Northvale hereby supports the position that Christopher Righetti should not be granted parole and should serve out the full remainder of his life sentence. If a future eligibility date is set, we urge the Board to select a date at least 35 years from now. The abduction, rape and murder of an innocent young woman is a serious crime that demands justice; and the family of Kim Montelaro should be given the peace of mind of knowing that their daughter’s murderer will remain behind bars for the rest of his life, as ordered by the court.

NOW, THEREFORE, BE IT RESOLVED that the Borough of Northvale hereby abides by the conclusion that Christopher Righetti be denied parole and be made to serve out his life sentence, otherwise this creates a grave injustice to the family of Kim Montelaro as well as to society.

BE IT FURTHER RESOLVED that a copy of this resolution shall be sent to the Bergen County Police Chiefs Association, the New Jersey PBA, the Office of the Bergen County Prosecutor, Keep NJ Safe, and to Chairman James T. Plousis of the New Jersey State Parole Board.

WHEREAS, the Governing Body of the Borough of Northvale has considered a proposed amendment to Section 31-3 of the Borough Code — enacted via Ordinance #744-99 — which would provide for automatic cost of living increases in connection with the Borough’s Length of Service Award Program (“LOSAP”) for certain members of the Northvale Volunteer Fire Department (“Department”);

WHEREAS, the Governing Body of the Borough of Northvale finds that such an amendment of Section 31-3 is warranted so that the LOSAP contribution provided to Department members increases consistent with increases in consumer price index (“CPI”);

NOW THEREFORE, it is thereby duly ordained:

Section 1: That all ordinances and portions of ordinances in conflict herewith are hereby repealed.

Section 2:
Section 31-3 “Criteria For Eligibility,” subsection C is hereby deleted, and shall read as follows:

The amount of the 2016 annual contribution for each eligible member shall be \$843.29

Section 31-3 “Criteria For Eligibility” shall be amended to include subsection D, which shall read as follows:

Beginning in the year 2017, the annual contribution for each eligible member shall automatically be increased by the same amount as the percentage increase in the consumer price index factor as set by the Director of the State of New Jersey, Division of Local Government Services.

Section 3: Severability- The provisions of this Ordinance are hereby declared to be severable. Should any section, paragraph, subparagraph, provision, sentence, or part hereof be declared invalid or unconstitutional, said finding shall not affect any other section, paragraph, subparagraph, provision, sentence, or part thereof.

Section 4: This Ordinance Controls- In the event of any inconsistencies between the provisions of this Ordinance and any prior Ordinances of the Borough of Northvale, the provisions hereof shall be determined to govern and control. All other parts, portions and provisions of Chapter 31 of the Borough Code of the Borough of Northvale shall remain unchanged and unmodified, except where inconsistent with the terms thereof.

Section 5: Effective Date- This Ordinance shall take effect immediately upon final passage and publication according to law.

BE IT ORDAINED by the Borough Council of the Borough of Northvale, in the County of Bergen, New Jersey, as follows:

Section 1. The Borough of Northvale, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to undertake the 2016 Road Improvement Program at various locations, as set forth on a list prepared by the Borough Engineer and placed or to be placed on file with the Borough Clerk. Depending upon the contract price and other exigent circumstances, and upon approval by the Borough Council, there may be additions to or deletions from the aforesaid list. It is hereby determined and stated that the roads being improved are of "Class B" or equivalent construction as defined in Section 22 of the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law").

Section 2. The sum of \$500,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized and the down payment appropriated by this ordinance. Said improvements shall be made as general improvements and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) the making of such improvements is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law, and (3) the estimated cost of said purpose is \$500,000, and (4) \$25,000 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$475,000, and (6) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$50,000 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$25,000, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Borough, are now available to finance said purpose. The sum of \$25,000 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$475,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$475,000 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes and to issue said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer, who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 8. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of ten years computed from the date of said bonds.

Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$475,000 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose, shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 11.
