Soccer: Finishing up heading to play offs, mentioned there is a good level of competition. The new goals are working well for indoor soccer. Rich is telling the school to throw out the old goals that are on the soccer field. Rich wants to check on the drainage issue on the side soccer field by the school to determine whether or not NVSC can use the field. Kari suggested purchasing one more goal for indoor soccer to have on hand in case one of the others breaks or parts start to disappear. Rich said he or Ken will look into the purchase.

Basketball: Joe said that basketball is winding down with no major issues this season. Dave and Joe will regroup when the season is over and discuss any changes that need to be made. Last weekend of clinics will be on March 10th, 2018. Kari mentioned that the teams are somewhat competitive even though there are not playoffs during the winter program. Joe said he is aware that a playoff would be fun and they have tried to change that with the league. No luck. Summer sign-ups will potentially be held in April, but more hopeful to be the end of March.

Jr. Marksmanship: Heinz reports nothing new, everything is good. Kari reported that the fun shoot had the boys very happy. The boys enjoy having a change up every once in a while.

Baseball: Vinnie stated that this is the last week of sign-ups, low enrollment on the 7/8 grade level. Vinnie and John will get together to try and get a Northvale team together for 7/8 grade perhaps they will join with Harrington Park, it's been done in the past. Kari suggested pulling up a 6th grader. John and Vinnie said they would consider possibly using a 6th grader as a floater. Baseball wants to send out another email blast about registration and ensuring buying a hat. Kari made it known that opening day is going to need a lot of volunteers. Make sure DPW knows the events for the day ahead of time. You will need to reach out to ShopRite a month before donations are needed, Roots Smoothie Truck and the Ice Cream truck need to be approached with enough time to schedule and have the Board of Health inspect their trailers. Any games or dunk tanks being rented will have to go through the Borough for payment. Vinnie

said that Dick's should send the Gift Cards by next week. Kari reminded baseball that any field use has to be cleared by the DPW via Fran in an email or phone call directly to her. Make sure the game schedules are sent to Fran so DPW can have the fields lined and bases ready, for both Hogan's and Veterans.

Softball: Nicole met with the league, reported there are some rule changes as well as league dates for upcoming meetings. Softball will continue to monitor sign-ups as numbers are low. Rob DeBrino's clinic is low with enrollment as of now.

Restaurant Week brought in \$720.00 for recreation. Thank you to those that participated.

Kari has made sure that soccer has plenty of uniforms on hand and all of them are organized and labeled. Softball uniforms will be placed in the closet once they are ordered and arrive.
