Basketball: Registration opened this week and paperwork was submitted to the Northvale school for both soccer and basketball. Gym time can begin November 12, 2018. Men's basketball runs from 8:15-10:00pm and will be put on community pass for registration. Brandon Giordano will look into getting approval for more gym time at the school as well as other gyms.

Motion to approve Brandon Giordano as the new Recreation Basketball Commissioner made by Rich Fleury, 2nd by Dave Uglione, all in favor, motion passed. CONGRATULATIONS TO BRANDON!

Soccer: Veteran's field is not in good shape this year with lots of weeds and crab grass, to the point that it is barely playable. Tom Argiro will relay this back to the council. The season has been going well. It took some time to get 12 volunteers but many have stepped up. New goals have been purchased and set up at Hogan's. Indoor soccer registration has opened and they will post on social media about it to better get everyone signed up on time.

Jr. Marksmanship: Going well. More kids have moved to the competition level so there was less room for new kids to join. Heinz will look into ordering more ammo soon.

Softball: Nothing going on to report. John, Nicole and Amy will look into donating the remaining food from the snack bar to the senior center and/or the giving room.

Baseball: Nothing going on to report. There is a concern about the scoreboard not working. John is thinking of doing a pancake breakfast as a fundraiser, he will look into it.

Other business: The commissioners went over the new Code of Conduct and complaint forms. Amy will be submitting to Mayor and Council for approval.

Our next meeting will be moved to November 27, 2018 due to conflicts the week before.

Motion to close the meeting at 9:25pm made by Dave Uglione, 2nd by Nicole Cowley.
