New financial reports were presented and gone over, still looking for a way to see a more complete picture of what each sport has in moneys available and what is allocated to them.

Basketball: Brandon Giordano reported that the season has started and gym time is tough, hoping it gets better after the holiday break. He is looking to order supplies through borough vendors, namely rims that adjust and lower to accommodate the younger kids. He has been in touch with the school to make sure we can add these rims to the existing ones in the gym. Brandon has set up coaches and teams for a travel team as well.

Soccer: Ken DeGennaro reported that the season just ended with 3 teams making it to the semi-finals and 1 team in the finals. The younger parents are participating more. Mario is managing the social media information and may need photo release check box in the future if he is going to post pictures. We need to look at community pass to follow up on families who never paid. Ken would like the championship team to be honored at an upcoming Mayor and Council meeting, Tom will arrange it for him.

Adult Softball: Enzo DiMaria reported he is looking to add 2 more teams next year and will try and get more fields from Old Tappan without a fee. Sign ups will hopefully be in January.

Baseball: John Briguglio reported that our donation of equipment was very well received in the Dominican Republic and had some pictures of the happy teams it helped out... Great Job!!!

Softball: Nicole Cowley had nothing to report at this time.

Junior Marksmanship: Heinz Schroeder reported his season is continuing through to June. By the year's end he will be promoting some of the kids to the competition team.
